The background is a deep purple and blue space scene. In the top left, there's a large planet with horizontal stripes. Below it is a smaller planet with a ring. In the top right, an astronaut in a white suit is floating, holding a long, thin, looping rope. In the bottom right, there's a large, cratered moon. The sky is filled with numerous small white stars and larger, four-pointed starbursts. Abstract, wavy shapes in shades of purple and blue are scattered throughout the background.
